WM. H. HENDERSON *Experimental* GARDENS

Owned and operated by Wm. H. Henderson, former assistant to Luther Burbank, 1921-1926.

DAVIDIA INVOLUCRATA
Appropriately called the "Dove" tree. Magnificent new introduction. See description on page 16.

New Creations AND SPECIAL SELECTIONS

1937 - 1938

ROUTE 5, BOX 22, FRESNO, CALIFORNIA

GLADIOLUS

(Above photo taken in our test grounds)

I have been deeply interested in the improvement of gladiolus for many years. Hybridizations are made by the thousands yearly to improve this flower. I can supply any of the following colors: Rose pink, deep pink, salmon, white, scarlet, chamois, begonia rose, orchid, orange, yellow, shrimp pink, cream, spectrum red, apricot, and flesh pink. Large size bulbs at 50c per doz; \$1.50 per 50; \$2.00 per 100.

Picardy and Mammoth White, Dr. F. E. Bennett at \$4.00 per 100.

Clematis Duchess of Edinburgh

Beautiful double white. Very free bloomer with fine fragrance. One of the world's best Clematis varieties. 75c each. See pages ten and eleven for descriptions of other wonderful varieties.

All prices in this catalogue include free delivery to any part of the United States (except where noted)

TO MY FRIENDS AND PATRONS:

In presenting this catalog, I wish to thank my customers for their continued patronage, and appreciation of my efforts. You may be assured that at all times the same high quality of the past will be maintained.

LANDSCAPING DEPARTMENT

We are well-equipped to handle all branches of this service. Bring or write your planting problems to us for suggestions.

TERMS

Cash with orders or in advance of shipment. U. S. Postage stamps accepted for amounts under \$1.00 only. Prices include delivery charges prepaid anywhere in the U. S. except where noted. No. plant orders accepted for less than \$1.00.

SALES TAX

California customers please include 3% extra for California State Sales tax.

GUARANTEE

I exercise every care to ship only first class stock and will at all times endeavor to satisfy my customers in every way.

All plants and seeds offered in this catalogue are grown under my own care and supervision.

WM. H. HENDERSON.

"Little Jewel"

A miniature decorative of flesh pink. One of the most beautiful of all small dahlias. Highly effective for bouquets. Without doubt the most exquisite of all pink dahlias, possessing a color unique in this family. 25c each; \$2.50 per dozen.

Write for special Quotations on larger quantities of dahlias. We are well equipped to give you wholesale prices on 25 or more rooted cuttings, or bulbs.

Fragrant Gladiolus

(See Above Photo)

Nocturnally fragrant, medium sized flowers. Height 2½ feet. Exceptionally hardy. Flowers cream yellow in color. Blooms in this climate about 15th of March, fully two months before common variety, and one month earlier than the earliest Baby gladiolus. More fragrant than freesias. Blooming size bulbs 12 for \$1.00, not less than 12 at this rate; 100 for \$3.50. Write for prices on larger quantities.

NEW ROSES FOR 1937-38

New Everblooming Bush Belle of Portugal

(Wm. H. Henderson's Originations)

A distinct new sport from the well-known climber producing over the entire rose season. The flowers are borne singly on long stems, frequently 30 inches long. Color is a soft rose pink shaded with salmon. Has the same fragrance as its parent. As vigorous as the President Hoover. \$1.00 each.

"Improved Camellia"

Ovoid buds, salmon pink inner petals orange carmine. Bush type (Hybrid tea). Very beautiful. \$1.00. Excellent companion to our well-known rose Camelia.

Miss Barbara

Bush polyantha. Ever-blooming habit. Flowers and buds similar in form to Cecile Bruner. Color coral-red shaded yellow. \$1.00.

Scarlet Bedder

Beautiful long pointed buds on long stems. Very prolific. 75c each.

Mary Hart

A marvelous new rose. One of the most outstanding of all red roses. It is an improved Talisman. \$1.00 each. (Red Talisman).

NEW ROSES FOR 1937

Countess Vandal

Long buds with rich blend of pink, copper and gold, produced on long stiff stems. \$1.00 each.

Matador

Large full well-formed scarlet crimson with darker reverse. Very fragrant and vigorous. Splendid new dark red. \$1.50 each.

Will Rogers

Dark velvety crimson. Double flowers. Free blooming and vigorous grower. \$1.00 each.

Victoria Harrington

Pointed buds of dark red opening to splendidly formed flowers of non-fading velvety dark red. Color is held until petals fall. Spicy and intense fragrance. Strong grower. 75c each.

Ville de Paris

Lasting sun flower yellow; deeper at center and base. Flowers well-shaped; double buds and flowers. 75c each.

Red Hoover

An intensified sport of President Hoover rose. Red shades predominating. \$1.00.

Blarney

A climbing Irish Charm. Long tapering buds of blush pink toned with golden apricot. Very beautiful. \$1.00 each.

Etoile de Holland (Climbing)

A climbing sport of one of the best dark red bush roses. Very fine. 75c each.

Climbing Dainty Bess

Single rose pink flowers with wine red stamens. \$1.00 each.

Eclipse

A splendid heat resisting yellow bush rose. Buds very beautiful and produced on long stems. \$1.50 each.

McGredy's Yellow

Large bright buttercup yellow flowers of perfect form. Fragrant. Vigorous grower. 75c each.

Max Krause

Large high centered flowers. Very double and golden yellow. Unusually beautiful variety. 75c each.

Cl. E. P. Thom.

Rated as one of the best yellow climbing roses. Color a pure yellow and very double. Profuse bloomer. 75c each.

ALL ROSES PREPAID.

ROSE SPECIAL—All 50c varieties will be supplied at 3 for \$1.00. All other varieties are priced net. California customers add 3% for state sales tax.

All prices in this catalogue include free delivery to any part of the United States (except where noted)

Henderson's New Giant Amaryllis

These magnificent new creations produce some of the largest flowers known. They are seldom less than 6 inches in diameter, and frequently 14 inches. As easy to grow as Iris or Gladiolus. I especially recommend them as substitutes for tulips in warm climates as they increase in size and beauty each year. **IMPORTANT:** Do not confuse these Amaryllis with the familiar summer-blooming Amaryllis Belladonna on which the foliage dies in summer. These new creations have both foliage and flowers at the same time. Plant in full sun. Colors are white, beautifully marked and striped with crimson; ruby-red, light and dark shades of pink, scarlet and a darke velvet red. After the bulbs are established they will bloom several times a year. The largest crop of flowers is borne in spring, about the same time the Darwin tulips are in bloom. Unequalled for garden use in the West. *Plant any time.*

In form the flowers resemble gigantic lilies. For several years I have been hybridizing many varieties of this fine flower. The best obtainable stock has been secured from England, France and Germany, also the best of the Burbank strain, for this work. Several acres will be devoted to this experiment during this next season. A new double-flowered form is under observation and also a yellow variety. Mixed colors, large blooming size bulbs are 75c each; \$3.00 for six; \$5.00 for 12; \$30.00 for 100. Smaller bulbs, to 3/4 inch, \$20.00 per 100; will bloom in 8 months. Prices on planting stock in quantity upon request. Selected colors at \$1.00 each. Medium size bulbs, \$3.00 per 12. Prepaid.

The velvety red Amaryllis Hyb. that I purchased from you is a beauty. I am delighted with the White Queen Crinum. It is quite similar to a large Easter lily.—Rev. C. W. H., Dallas, Texas.

SPECIAL COLLECTION IRIS

(Three of a Variety Will Be Supplied for the Price of Two)

AMBASSADOR—Standards bronze violet; falls dark velvet maroon; orange beard, free bloomer. Height 36 inches25

Special offer on Fancy Iris. One each of the following varieties: Freida Mohr, Gobelin Red, San Diego, Peerless, Fresno, Irene, for \$5.00.

All prices in this catalogue include free delivery to any part of the United States (except where noted)

HENDERSON'S WHITE DAHLIA

This new variety, illustrated above, has proven itself to be the most beautiful, the most distinct in form and the most prolific bloomer of any dahlia. Most people seeing this wonderful dahlia, for the first time, are likely to confuse it with the largest of the Japanese chrysanthemums. Only upon close inspection of the foliage can it be distinguished. Sixty flowers were picked from one plant during the past season. None of the blooms were less than eight inches in diameter and frequently twelve; stems averaging three to five feet in length. Seems absolutely rigid. An excellent keeper surpassing the famous variety "Jersey Beauty" in that quality. Color is pure white, with a cream yellow center. Price \$1.00 each; three for \$2.50.

Henderson's White Dahlia

Single bloom showing form on left. Field view below showing a plant 8 months old from a rooted cutting.

Rooted cuttings are highly recommended and will give excellent blooms as quickly as tubers. At end of season bulbs will have formed for the following year's stock.

NEW IRIS

Jessie Galbraith Morris

An improved Glowing Embers Hybrid possessing larger flowers and clearer colors. Falls are mahogany red 2 inches wide. Brown throat markings over a tan ground color. Standards clear golden ten. The beard is of richest orange yellow. Grows to height of 36 inches. \$1.50 each.

Mrs. F. E. Cook

Large flowers of orchid pink; with deeper rose markings in throat; beard rich orange; beautiful and floriferous. An improved Dream hybrid. \$1.00 each.

Indian Gold

Standards light brown over soft yellow base; entire surface dusted gold; falls rich Victoria Lake red. 36 inches in height. Large flowers. Beautiful blend. \$1.50 each.

Carolyn Cory

Falls grape purple; flaring, rich yellow beard; standards rich pure blue early flowers; extremely large, 40 inches in height. \$1.00 each.

Lillian L. Rowell

Falls royal purple bordered rich delphinium blue. Standards pure bright blue. One of the most beautiful color combinations ever seen in an Iris. 36 inches in height. Floriferous. \$1.50 each.

All prices in this catalogue include free delivery to any part of the United States (except where noted)

A New Bignonia Grandiflora

(See Above Photo)

A very rare giant flowering trumpet vine bearing many apricot pink and orange flowers that are from 3-4 inches in diameter. Flowers are borne in immense clusters and will average over 100 to a single cluster. Quick grower. Hardy anywhere. Strong grafted plants ready from December to April 1st. In bloom all summer. Two sizes. \$1.50 and \$2.00 each.

Iris Monneri

(See above photo)

This beautiful iris grows over 4 feet in height. The flowers are deep golden yellow. One of the finest cut flowers of the entire iris family. The stems are long and many leaves may be cut after the manner of gladiolus. Flowers resemble Spanish iris, but are four times their size. Beardless type. Plant in full sun or partial shade. Blooming season longer than bearded iris. Plant from August to January. 35c each; 85c for 3; \$2.00 for 12. Write for prices on larger quantities.

Iris

Not labeled mixed colors for massing purposes. \$4.00 per 100, F. O. B. Fresno. No charge for packing.

NEW HENDERSON ORIGINATION IRIS

"Copper Sheen"

A glorious rich copper and deep peach self overlaid with a golden sheen that fairly sparkles in the sunlight. Beard beautiful orange. One of the finest iris in my entire collection \$5.00 each.

New Iris "Lavender and Old Lace"

One of the most unique of all German iris. Extremely floriferous, and grows to a height of 36 inches. Standards are soft shade of rose lavender, falls are white, and striped their entire length with deep crimson. A cross between Pallida and Susiana. Extra vigorous. \$2.50 each.

THE NEW "FRAGRANT GLADIOLUS"

(Illustrated Above)

After 8 years hybridizing and selection, my efforts were rewarded and I am able to offer to the public the following new varieties. A new race destined to become very popular.

Fragrant Rose

Flowers 4 inches in diameter; petals blushed rose-pink on both sides over a frosted white ground. 30 inches high. Pleasing fragrance suggestive of orange blossoms, night and day. Bulbs, \$5.00 each; bulblets, \$1.00.

Fragrant Yellow

Golden yellow, blushed rose ash on backs and tips of petals. Fragrant night and day. Grows 36 inches high. Bulbs, \$5.00 each; bulblets, \$1.00 each.

Morea Bicolor

Evergreen, grasslike foliage Grows to height 3 feet Blooms almost entire year. 3 inch cream-yellow flowers (resembles iris) conspicuously marked with three dark brown eyes. Unusually beautiful and valuable as a cut flower.

NEW IRIS

"Shower of Gold"

A very profuse blooming soft yellow. 36 inches high. 75c each.

Iris "Sunset Glow"

Burnished copper standards. Falls richest copper-red bordered with bright golden yellow. Striking combination. Large flowers. 36 inches in height. \$2.50.

King Alfred Daffodils

Finest of all golden daffodils. Large flowers borne on long stems. Large bulbs. \$1.00 per dozen.

Zephranthes Grandiflora Rosea

Fairy lily. A very lovely summer flowering bulb. Producing from May until October an abundance of large rose-pink flowers about 3 inches in diameter on stems. 12 inches long. Unexcelled for cutting. 75c per dozen.

Zephranthes Alba

A pure white variety of the above. 75c per dozen.

Fragrant Rose Lavender

Flowers 4 inches in diameter. Fragrant only in evening; perfume fine and pleasing. Color rose-lavender marked with carmine stripes. Bulbs, \$3.50 each; bulblets, 75c.

Special Collection Offer

One of each of the above large bulbs, \$8.00. One bulblet each, \$2.00.

HENDERSON'S NEW HYBRID BABY GLADIOLUS

A superb new race of gladiolus producing flowers in a new range of color combinations never before seen in this flower. These colors include orchid and rose; crimson and carmine; rose-ash and yellow; and many other beautiful forms. No description is adequate for these graceful gladiolus. More graceful and easily used for table decoration than the common gladiolus. \$1.00 per dozen. Mixed colors. *This new type of gladiolus will stand frosts as low as 10 degrees above zero with no ill effects on foliage. Due to this fact they will bloom in March even after a cold California winter. One month to six weeks earlier than the earliest Baby Gladiolus. Some of the hybrids are quite fragrant. Highly recommended.*

Columbine "Crimson Star"

Very large flowers with long spurs. Outer petals deep crimson with central petals of white. Very attractive new variety Grows to 3 feet. Strong 1 year plants at \$2.00 per dozen or 25c each.

Modesto Ash

The West's newest high class shade tree. Great advance in beauty and hardiness. Grows like a perfect Arizona Ash but has no seeds and develops faster. Disease free and extremely drought resistant. Foliage hard and glossy on both sides. Fine vigorous young trees. \$1.50 each.

Lily of the Valley

Easily grown spring flowering bulb. Too well-known for further description. 75c per dozen; \$4.50 per 100.

All prices in this catalogue include free delivery to any part of the United States (except where noted)

Henderson's Hybrid Giant Hibiscus (Field View Above)

Field view above. These new hibiscus can be grown anywhere; absolutely hardy. The flowers are enormous in size measuring from six to ten inches across, and when established will bloom from May to November. In winter the plants die, but the roots sprout again each spring, being perennial in nature. Healthy and vigorous and will thrive in any soil. Plant with shrubbery. Colors range from snow white through all shades of pink, red, orchid, scarlet and maroon. Mixed colors 50c each root; \$5.00 per 12. Selected colors, \$1.00 each. These grow about 3½ to 4½ feet high.

NEW HIBISCUS FOR 1937-38

The following named varieties of hibiscus are offered as the most beautiful in my entire collection. Over twenty thousand hybrids have been grown and tested during a period of ten years and these are offered as the very finest.

New Ruffled White Hibiscus

Enormous 10 inch blooms beautifully ruffled petals of pure white with a center of dark red. The most beautiful and sensational white hibiscus ever grown. \$2.50 each.

"Improved Radiation"

A larger and more vividly colored "Radiation." Individual petals 5½ inches broad. Flowers 11 inches across. Red veins more prominent and a more richly colored center. \$2.00 each.

"Crimson Wonder"

A magnificent flower over 10 inches in diameter. Is an intense crimson color. \$1.50 each.

"Satan"

The nearest approach to a true velvet red. Flowers 8 inches in diameter. Its beauty is entranced by shadings of deeper maroon. \$2.50 each.

"Clown"

Very difficult to describe. The blooms have the appearance of having been hand painted. Color is flesh pink over ivory white. The ends of petals are blotched claret rose for at least ⅓ of their length. The latter color bleeds through the lighter zone to a deep red center. \$1.50 each. 9 inch blooms.

"Fresno"

Nine inch flowers of satin pink overlaid with silver. An indescribably beautiful variety. Individual petals 4 inches broad. Possesses a Burgundy red center. \$1.00 each. The finest self-colored pink ever grown.

Wm. H. Henderson's New Giant Hybrid Hibiscus

The Hibiscus offered were developed from a hardy longlived branch of the Hibiscus family. They are resistant to extreme cold and can be grown in the colder sections of the U. S. They require no winter protection of any kind. Only the simplest culture is needed. I can recommend them very highly for long and colorful display in the garden. All plants bloom well the first year planted.

Testimonial from a satisfied customer: "Just a line to tell you of the Hibiscus root I purchased from you this Spring. To date, Sept. 1st, I have picked 215 blooms from the bush. Each bloom measured from 8-10 inches in diameter. The root was planted March 1st. Mrs. E. T. S."

"Wm. H. Henderson"

Very new and unusual color crushed raspberry red with very distinct stripes of deep red with rich dark center. Blooms are 7 inches in diameter. Individual petals 3½ inches broad. One of the most floriferous varieties. Not one of the largest, but one of the loveliest ever produced. \$1.50 each.

"Mammoth White"

Eleven inch flowers purest white faintly striped with soft rose. The center is rich velvety red. One of the most beautiful in entire collection. \$1.50 each.

"Silver Rose"

Richest raspberry rose overlaid silver and striped with deeper rose. Centre of the very richest dark red. Flowers 9 to 10 inches in diameter. \$2.50 each.

"Radiation"

Wonderful 9-inch flowers of satin pink striped with many lines of rose red radiating from a center of richest velvet red. Individual petals. 4¾ inches broad. \$1.00 each.

"Poinsettia"

Very large 10-inch flowers of gorgeous cerise red, self colored variety. Prolific bloomer and one of the most brilliant ever shown. \$1.00 each.

Cultural Directions

Plant in full sun—No cultivation. Cover eyes on roots about one inch deep and stake. They will not sprout until weather becomes settled and warm in spring. These Hibiscus require good drainage and moderate water supply.

All prices in this catalogue include free delivery to any part of the United States (except where noted)

NEW CHRYSANTHEMUMS "Gabriel's Trumpet"

(See Above Photo).

(Moore). Unusually fine single hardy garden mum. Petals tubular expanding near tip to a soft shade of Chinese scarlet from a silver buff. One of the most unusual mums ever introduced. 50c each; \$3.00 per dozen.

Mrs. J. Willis Martin

Crushed strawberry color. Early and very popular variety.

Margaret Waite

Finest variety for late blooming. Withstands rain and frost well. Stems may be cut 24-30 inches long. Color deep sparkling rose pink. Semi-double. Has no equal for lasting quality, cutting and possesses rich, spicy fragrance.

Ira K. Skiff

Golden bronze, large semi-double and very early. Attracts attention in any garden.

Dream

New pom-pom. Very double perfect flowers bright clear rose-pink in color. Very graceful in the garden.

Indian Chief

New clear scarlet. Reverse of petals old gold. Wonderful new color combination.

25c each, \$1.50 per dozen on all above varieties of chrysanthemums.

New Everblooming Chrysanthemum

Unlike the regular chrysanthemum type that blooms only once yearly, this produces a full crop of flowers in late spring, and also a second crop in the fall. Flowers about 3 inches in diameter. Color rose pink, on stems 18 inches long. 50c each; \$2.50 per 12.

Chrysanthemum Mawei

A strong growing biennial, producing long-stemmed pink flowers resembling shasta daisies over at least eight months of the year. In winter the foliage is fernlike and attractive. 25c each; \$1.50 per 12.

New "Princeton" Chrysanthemum

Splendid upright grower with foliage that turns a glorious red and bronze color in the fall. Color of flowers is unusual and very new; a rich calendula orange. Flowers 2½ inches across; very double on perfect stems. A splendid addition to hardy chrysanthemum group. 50c each; \$2.50 per dozen.

Burbank's Hemerocallis "Calypso"

Day Lily flowers averaging 5 inches across and are a glorious shade of deep lemon yellow. Grows 4 feet high. Blooms from spring to fall. Plant full sun or partial shade. Pronounced by experts to be one of the finest of all day lilies. 50c each; \$3.00 per dozen.

Wm. H. Henderson's New "Giant Orange" Hemerocallis

Flowers are very large deep orange covered with a gold dust sheen. Flowers are of a heavy substance and petals very wide. Comparable in width of petals and size to some of the Amaryllis hybrids. \$1.50 each. Plant is 30 inches in height.

MICHAELMAS DAISIES Charming (Burbank's)

Soft shade of pink with yellow center. Graceful weeping branches. 4 feet high, resembles small spires shrub when in bloom.

Baby Blue

(Henderson.) When massed in front of dark green shrubbery it appears similar to a soft blue cloud. Visitors are enthusiastic over its heavenly blue color. Try the effect in your garden. You too will be greatly pleased. 50c each; \$3.00 per dozen.

Lavender Queen

(Henderson.) Richest lavender with orange center that sets whole flower aglow. Blossoms 2 inches in diameter. All above varieties, 50c each; \$3.00 per dozen.

Helianthemums

Sun Roses. Low spreading evergreen that are practically covered with dainty flowers from spring to fall. Hardy long-lived and easily grown plants. Excellent for sunny rockwork, front of borders, sides or tops of walls. I offer three colors: Double red, apricot and rich orange. 35c each, 3 for 90c; \$3.00 per dozen.

Plumbago Larpentae

Splendid border or rock garden plant with sparkling deep blue flowers. Bloom from May till frost. Dwarf spreading habit. Height 8-10 inches. One of the finest, hardiest and most beautiful border plants in the country. Plant in full sun for best results. 25c each, \$2.00 per dozen. Perennial.

Henderson's New Pyrethrum Hybrids or Painted Daisies

Produce showy flowers of all shades, except blue and yellow, on long stems. Bloom all summer. Very valuable for cutting. Double and semi-double mixed. \$1.50 per dozen. Hardy perennials.

Anemone Japonica

Valuable for massing or as single specimens in the border. They grow rapidly, and are profuse bloomers gaining in strength and beauty each year. They bloom from July till the 1st of November. Height 2 to 3 feet. I offer the following colors: Semi-double white, rose, pink and red. Admirable for cutting. These flowers are specially recommended for shaded areas \$1.00 for 3 or \$2.50 per dozen. An extremely where many plants will not thrive. 35c each; hardy long lived perennial.

Pentstemon

(Photo Above)

Wm. H. Henderson's Hybrid. Evergreen perennial almost continuously in bloom. Rivals petunias in production of blossoms. Makes bold clumps 18-30 inches in height. Flowers about 2 inches in diameter and resemble foxgloves. Unusually free from diseases and easily grown. Recommended as a substitute for snapdragons as it is never troubled with rust. I offer 4 varieties selected from thousands of hybrids: Scarlet Bedder, a soft rose scarlet, 15c each; \$1.50 per dozen; \$10.00 per 100. Orchid, Lavender, Lavender-Blue, 25c each. The above varieties are grown from selected rooted cuttings. A well-established bed of these will thrive for years with no special attention needed.

New Coronilla Cappadocia

Evergreen perennial growing to height of 10 inches. Flowers produced in racemes of richest golden yellow. Very showy and one of the finest rock garden plants known. Early spring bloomer. 50c each.

NEW EVERGREEN SPRING FLOWERING PHLOX

Phlox Divariata Laphami

Perennial phlox of pure gentian blue growing about 12 inches high. Unsurpassed as a spring flowering border plant as it blooms from May until July. No other garden flower blooming at this season shows this rare and lovely color. A remarkably hardy, easily grown and showy plant. 50c each; \$3.00 per dozen. Evergreen. Smaller sized plants \$1.50 per dozen.

Phlox Subulata Brittoni

Very distinct from any variety known. It forms a cushion like plant with closer growth than most subulata varieties. Abundance of white star-like flowers with darker centers formed by a ring of bright blue dots. New form 50c each, \$3.00 per doz.

Phlox Subulata Vivid

Similar to above except that it possesses a vivid satin pink flower with red centers. One of the most beautiful dwarf shrubs for rock gardens. Blooming in earliest spring almost covering itself with blossoms. 50c each; \$3.00 per dozen.

Linum Flavum

A very hardy perennial producing quantities of golden yellow flowers in terminal clusters over the entire summer. 18 inches in height and evergreen. Very showy and desirable because of its long life. 50c each.

Felicia Aetheopica Kingfisher Daisy

A new biennial producing on an upright bush (about 30 inches in height); flowers (1½ inches in diameter.) of a bright, clear blue with golden yellow centers. Blossoms all summer and is a fine cut flower. 25c each.

Primula Kleynie

Very hardy perennial blooming in earliest spring. Flowers are an apricot orange with darker centers, 1½ inches in diameter and are produced in large clusters. Perfectly adapted to the rock garden, and easily grown. Height 12 inches. 50c each.

All prices in this catalogue include free delivery to any part of the United States (except where noted)

PERENNIALS

Anchusa Dropmore

Rich gentian blue flowers. One of the earliest of the spring bloomers. Plants form specimens 3 to 4 feet high. Has long blooming season. For masses of blue in a perennial border and ease of culture it is unexcelled. Strong roots that will yield flowers first season. 25c each; \$2.50 per doz.

Campanula Persicifolia

A perennial Canterbury bell. Lives for years. Blue flowers on long stems. Good cut flowers, evergreen, height 30 inches. 25c each; \$2.00 per dozen; smaller plants, \$1.50 per dozen.

California Fuchsia

"Humming Bird Trumpet Flower." Foliage grey green. Height, 2½ ft. Graceful pendant flowers of scarlet resembling small fuchsia. Resistant to drought. Very beautiful for masses in front of shrubbery, 25c each; \$1.50 per doz.

Dianthus Beatrice

A new variety of this popular flower. It has double flesh pink flowers produced in large clusters over many months. A superb new variety. Strong rooted cuttings, 25c each. \$1.50 per dozen.

Columbine

Wm. H. Henderson's Hybrids. A great improvement over older types. Larger flowers and longer spurs. Colors include yellow, orange, red, rose, blue, purple, ceise, white, salmon and mauve. Seed 20c pkt.; 3 for 50c. Roots, \$1.50 per doz. All weak colors have been eliminated.

Delphinium

W. H. Henderson's Hybrids. A vigorous long lived strain. Withstands warm summers much better than other forms. Flowers are single, semi-double and double. Colors range from sky-blue to mauve pinks and deepest indigo. Selected for hardiness as well as beauty. Vigorous plants, \$1.50 per dozen. Will bloom summer and fall of first year. Seeds 50c per pkt.

Delphinium

New dwarf blue bedding variety. Producing little upright *bushes* about 15 inches high covered all summer with true azure blue flowers, 50c each; \$2.50 per 12. Hardy perennial.

Delphinium

"New True Blue." A selected hardy form of Belladonna type producing spikes 4 feet high of a deep true blue. Magnificent new form. 50c each.

Gerbera—Transvaal Daisies

New Hybrids. Plant in full sun or part shade. Bloom all summer. This strain was secured from the largest collection of Gerberas in the world. Colors include coral, scarlet, crimson, cream, yellow and many other combinations. Two sizes of plants; large 30c each, \$3.00 per dozen; medium \$1.50 per 12.

Papaver Olypia

An unusual new perennial poppy, forming a clump by underground runners. Flowers are semi-double and range in size from four to five inches in diameter and are a pleasing shade of apricot and orange. Stems are 2 to 2½ feet long. Splendid cut flower. 25c each; \$2.00 per 12.

Tritoma—Torch Lilies

Beautiful evergreen grass-like foliage. Stems 3-4 feet long, producing flowers for months throughout the summer. Splendid for cutting purposes. Easily grown. Plant in groups of three for immediate effect. Plant in sun or partial shade. I offer 4 colors: Burbank's "Tower of Gold," coral, chrome, orange and yellow. 50c each; \$3.50 per 10.

WM. H. HENDERSON'S NEW HYBRID ORCHID FLOWERING DAHLIAS

These are the most graceful of all dahlias for cutting purposes. Height 24-36 inches. All colors, from fawn, to vermillion and scarlet and yellow. Many spotted and tigersed crimson on the reverse side of petals. The tip of each is rolled or quilled. Flowers are single and range from 3-5 inches across. A bed of these gives the appearance of giant columbine or lilies. Bulbs or rooted cuttings in spring 50c each, \$3.50 per doz. Fine cut flowers, as they are good keepers. Last fully as long when cut as the pompson types and possesses the advantages of long stems, hence they are easier to arrange. Destined to become very popular when better known. Prepaid.

Rosa Rouletti

A miniature rock garden rose with its growth not exceeding 12 inches. It flowers freely from spring until fall. Well-formed buds develop into double pink flowers. Hardy. The smallest rose in the world. Large, 75c.

New Double Red Nasturtium

A rare and unusual type. Flowers absolutely double; 1½ to 2 inches in diameter. An admirable winter pot plant as it is in bloom the year around. Color a beautiful scarlet. Rooted cuttings. 25c each; \$2.00 per 12.

Dianthus Knappi

A very rare evergreen. Yellow flowered variety. Very beautiful. 50c each.

Viola Jersey Gem

Very attractive violet blue viola. Large flowers measuring 1 inch by 1½ inches. Produces throughout entire spring and fall. Fine as a border plant. Should be cut back after each season of bloom. 25c each; \$1.50 per dozen. Hardy Perennial.

Scabiosa Perennial Hybrids

An excellent perennial for the garden. Produces large blue, lavender and white flowers on long stems. Blooms through the summer. Very hardy. Plant in full sun. Strong 1-year plants, 25c each, \$2.00 per 12. Prepaid.

Salvia Pitcheria

Splendid perennial. Growing 4 ft. high, blooming from August until frost and producing masses of *pure gentian blue* flowers. One of the most beautiful perennials in existence. Unsurpassed for long full blooming season creating masses of blue for months. 50c each; \$3.00 per doz.

CANNAS

Burbank's "Fire Canna." One of the largest flowered cannas in existence. Constantly in bloom. Never fails to attract attention of visitors to my gardens. Finest variety for massing purposes. Enormous clusters of bright fire-red blossoms. 4 feet high, 25c each; 3 for 60c; 12 for \$1.50. Prices on quantities on request. I offer 3 new varieties of cannas. *Deep Gamboge Yellow*. (4 feet) 25c each; \$1.50 per dozen. *Apricot Orange* (3½ feet) 25c each; \$1.50 per dozen. *Deep Scarlet-Bronze Foliage* (4 feet) 25c each; \$1.50 per dozen.

Statice Latifolia

"Blue Babies Breath"—Fine perennial increasing in beauty each year. When in bloom resembles "Baby's Breath" except in color that is an exquisite sky-blue. Used very successfully in dried winter bouquets. Will keep for years. Large 2 yr. plants ready for immediate bloom, 50c each; \$3.50 per doz.

All prices in this catalogue include free delivery to any part of the United States (except where noted)

CARNATIONS

(W. H. Henderson's New Hybrids)

APRICOT QUEEN—Clear orange salmon (new) 50c each; \$3.00 per dozen.

NEW YELLOW—Clear lemon yellow (new) 25c each.

NEW WHITE—Largest pure white grown (new) 25c each.

Hardy carnations for outdoor garden use, I recommend very highly the following colors: Dark red, scarlet veined mahogany, flesh pink, red and white variegated in plain petals and lacinated petaled forms. 25c each; \$1.25 per doz. Not less than a dozen at this rate. The above are highly selected. Strong rooted cuttings.

NEW IMPORTED HYBRID CLEMATIS

These flowering vines are creating such an interest among gardeners that we have imported from England the finest varieties available in that country. They will be available for distribution in the spring of 1938.

NOTE—Aside from their value as flowering vines for general garden use, clematis make beautiful pot plants when grown in large pots or tubs. We cannot recommend a more beautiful and long blooming vine for gardens generally throughout the United States.

Countess of Onslow

A hybrid of *Clematis coccinea* flowers bright violet purple with a band of scarlet along each sepal.

Jouiniana

A handsome and vigorous climber growing to height of 15 feet. Flowering from August to October. Produces enormous panicles of pale lilac flowers often five feet in length.

Nelly Moser

Enormous flowers 9 inches in diameter of pale mauve and white with broad bright red band through the center of each petal.

Above varieties available spring 1938.

Aster Frickarti

A perennial aster producing 2-inch blooms of bright lavender blue throughout the entire summer. Height 30 inches. The finest of all Michaelmas daisies to date. 50c each.

Clematis Jackmani

Large flowers 5-6 inches across. Petals very broad. Velvety purple. 75c each.

Clematis Henryi

Robust plant, free bloomer. White. Flowers to 8 inches in diameter. 75c.

Clematis Duchess of Edinburgh

Beautiful double white. Petals attractively arranged and imbricated. 75c each.

Clematis Mme. Edouard Andre

A deep crimson, flowers 5-6 inches in diameter. 75c each.

Clematis Mme. Baron Veillard

Extra vigorous type. Free bloomer. Very large light rose flowers. 75c each.

Clematis Ramona

Deep sky blue flowers. Unusually large 9-10 inches across. Vigorous habit and free flowering. \$1.00 each.

FLOWERING VINES

Confederate Jasmine—

Star-shaped flowers; pure white—very fragrant. Foliage thick and glossy. Evergreen vine blooming most of summer. Gallon cans, 75c.

Bignonia Violacea

Evergreen Trumpet vine flowers large orchid pink, yellow center. Foliage glossy. One of the most beautiful flowering vines. 50c each.

Aristolochia

Dutchman's Pipe—a tall, high climbing, hardy vine, widely cultivated for its fine foliage. Leaves roundish or kidney shaped. 6 to 14 inches wide. Flowers are yellowish brown, shaped like a pipe. Good for quickly covering unsightly objects with great speed. 50c each.

RARE HYBRID CLEMATIS

Among the world's finest flowering vines. Produces very large, attractive flowers from May to the November frosts. Very hardy; withstanding temperatures with perfect safety to 10 below zero. Will grow equally as well in part shade as in full sun. Flowers long lasting and useful for bouquets. No cultivation needed. Need plenty of water and good drainage. Acid soils not recommended. These are excellent for a very long season of bloom (surpassing even the hybrid tea roses in this respect). All plants offered will bloom well first year planted.

Clematis Armandi

A new spring blooming pure white, evergreen climbing vine. Attains height of 20 feet. Bold leathery dark green foliage. Flowers in clusters. To be released fall of 1937. An attractive new introduction.

All prices in this catalogue include free delivery to any part of the United States (except where noted)

New Everblooming Evergreen Shrub Rose "Sierra Snowstorm"

A very beautiful new variety being introduced for the first time. The bridal wreath-like branches are covered with masses of intensely fragrant single white flowers. Thornless and grows to 5 feet. Blooms all season until frost. Individual flowers about 2½ inches across. An extremely fine new plant destined to great popularity. \$1.25.

Clematis Coccinea

(See Above Photo)

A very hardy rapid growing herbaceous vine to 20 feet. Blooms throughout the entire summer. Flowers are urn shaped; about 1 inch in diameter and 2 inches long of brightest vermilion. Inside of flower is intense golden shade. One of the most graceful and attractive flowering vines I have ever seen. Must be planted in sun for best results. Strong roots. 75c each.

Mandevilla—Chilean Jasmine

A handsome summer flowering vine with large 2-inch blooms of pure waxy white. Intense jasmine fragrance. Foliage large and very attractive. Highly recommended. 50c each.

PERUVIAN DAFFODIL

(See above photo)

Bulbous plant, producing for many months throughout the summer flowers resembling Am-
aryllis. Very sweet scented, and splendid for cutting purposes. Stems 18 inches long. Flowers are
white in color, and are excellent keepers. Plant almost evergreen. 25c each; \$1.50 per dozen. Not
less than 12 at this rate. Prepaid. Blooms from July to October.

CAMELLIAS

These beautiful flowers are deserving of more attention from home gardeners. They require a position protected from extreme cold. Preferably an eastern exposure, with afternoon shade. They will repay a generous application of leaf mold or peat moss mixed well with the soil before planting. Cottonseed meal is an excellent fertilizer. One of the prime requisites in the culture of Camellias is to remember that absolutely no cultivation or stirring of the soil should be done at any time. Camellias are among the world's most beautiful flowering evergreens. Varieties offered here are among the finest.

Dai Kagura

Large rose red double. Very fine. \$1.00.

Caprice

Pure white. Very large flowers. \$1.00.

Chandlerii

Very large flowers. Full double rose marbled white. \$1.00.

Camellia Sasanqua Rosea

Single 3-inch flowers of a beautiful rose shade. Fragrant. A free flowering type, and more easily grown than the common varieties. Blooms in late October and November. 50c each. Not prepaid.

Sarah Frost

Rosy crimson. Very double and free flowering. Late bloomer and very attractive. 50c each.

Lady Hume's Blush

Very double and symmetrical. Color a delicate flesh. Flowers 3 inches in diameter. 75c each.

Alba Plena Fimbriata

A form of alba plena with same habit of growth. Flowers very double and pure white in color. Edges of petals are lacinated. Price upon application.

Alba Plena

Full double flower. Pure white and wax like in appearance. Very regular. Free blooming. Price upon application.

Abby Wilder

Flowers double; color white shaded and striped with pink. 50c each.

Rainy Sun

Large 6-inch flowers, rich rose red. \$1.50.

Busch Garden White

The most beautiful of all whites. \$1.00 each.

Purity

A well-named variety with pure white flowers 5 to 6 inches across, 6 to 8 inches high. 50c each.

Rosita

The strongest and thriftiest grower of all camellias with rose-pink flowers 3 inches across. The petals are arranged symmetrically. 6 to 8 inches high. 50c.

Otome Camellia

Bright shell pink. Waxy flowers and very prolific. 75c each.

All Camellias priced F.O.B. Fresno.

All prices in this catalogue include free delivery to any part of the United States (except where noted)

W. H. Henderson's New "Crimson Giant" Chard

A cross between the sweet sugar beet and Swiss chard. The leaves are as deeply crimped and pitted as a Savory cabbage. Nothing in the garden can be as easily raised, and no other vegetable produces such a large and continuous supply of delicious and healthful succulent food.

Very beautiful and highly ornamental in the garden. Visitors to my gardens are enthusiastic in praise of its value as an ornamental plant. It is more delicious than the beet garden spinach. The leaves of this new "Crimson Giant" are of a rich dark green color, often 24 inches long and are crisp and tender. The leaf stalks are also very edible, and should be cooked with the leaves. The stalks are rich crimson in color, and average 2 feet in length. The plant reminds one of a well-grown rhubarb. The color is retained if cooked over a quick fire about twenty minutes, 50c per packet; \$2.50 an ounce.

NEW FRUITS

New Nectarine "California Gold"

A hybrid between a Muir Peach and a white Nectarine. Possesses rich yellow flesh and a flavor unequalled by any other variety of stone fruit. Has firm flesh, but very juicy. Perfectly smooth skin that is crimson blushed yellow. I recommend it as a new fruit possessing unusual qualities. Not as tart as most nectarines, but much sweeter. Young trees one-year stock \$1.50 each. Stand shipping better than the ordinary nectarine due to the firmness of its flesh.

New Plum "Redwine"

An exceedingly large fruited variety possessing rich, firm flesh. Freestone. Skin does not crack. Splendid keeper. \$2.50 each. One of the largest plums ever grown.

New Apple X Pear Hybrid

A very large fruited variety—half apple and half pear shaped like a large apple. Color greenish yellow with small russet spots. Ripens in Sept. and Oct. Flesh pure white, very firm and exceedingly fine in texture. Unusually delicious. Fruit solid and heavy. Practically seedless and coreless. Trees \$2.50 each. Grafting wood at \$1.25 per ft.

W. H. Henderson's New Rhubarb "Giant Hybrid"

Largest stalks and leaves of any known variety. Possesses a rich berry flavored and is a great improvement over older varieties. Sweetest of all rhubarbs; requires but half the amount of sugar generally used in cooking other varieties. Stalks 1½ inch thick and 2-3 feet long. Divisions 50c each; 12 for \$3.00.

New Sweet Corn "Abundance"

This new sweet corn was first offered to the public in 1930. Reports from various sections throughout the country are very enthusiastic in its praise. After selecting and inbreeding the familiar Golden Bantam sweet corn for many years, the variety "Abundance" was produced. It is fully twice as productive as its parent, bearing 14-16 rows of kernels to each ear. The kernels are unusually large, and cobs are small. It is an early variety, and can be grown successfully where other varieties fail. 25c packet; 75c per pound; 10 pound lots at 50c per pound.

New Asparagus "Quality"

All growers are unanimous in their praise for this tender deliciously flavored, productive asparagus. By all means the finest variety ever offered to home gardeners. Pkt., 25c; ounce, 75c.

Burbank Tomato

Fruit crimson red; medium size with thick solid meat. It is an unusually heavy and continuous bearer. This tomato has one highly convenient quality in that the skin peels freely from the rich firm flesh. The finest tomato in quality. Pkts., 20c; 3 for 50c; \$1.00 per ounce. Earliest of all tomatoes.

All prices in this catalogue include free delivery to any part of the United States (except where noted)

Crinum "White Queen"

(Photo Above)

This beautiful variety was produced by crossing tropical species with an American native plant. Each plant bears many stems that carry large clusters of 25 or more flowers that are 5 inches in diameter. Very fragrant, and increase in size and beauty each season. Plant in full sun or partial shade. Large bulbs. Each \$3.00; offsets \$1.00 each. Bulbs when full grown frequently weigh from 8 to 15 pounds each.

Wm. H. Henderson's New Giant Shasta Hybrids

"Lacinatus"

Shasta Daisy (close view) showing petal arrangement. See photo on right showing field grown plants of this beautiful new Shasta daisy. Also see description below photo on right.

"Snow Queen"

Shasta Daisy Hybrid. Flower lovers who saw this last year were amazed at the size and abundance of bloom of this variety. Large blooms on long stems 3 feet in length. Semi-double. Individual petals very wide. 25c each, \$1.50 per dozen. A greatly improved Alaska daisy.

"Supreme"

New Shasta hybrid. Flowers 4 inches in diameter. Possesses 14 distinct layers of petals which, when fully developed, make the flower 3 inches in depth. It resembles a pure white zinnia. Grows to height of 30 inches. Good bloomer and excellent cut flower. 50c each.

The above new daisies represent many years of hybridization and selection, requiring the growing of many thousands of individuals. They are superior to any offered elsewhere and will easily replace all older varieties when they are better known.

All prices in this catalogue include free delivery to any part of the United States (except where noted)

Iris Japonica

(Drawing Above)

A beautiful orchid-like iris, imported from the Orient. Flowers medium size, white with yellow throat heavily dotted with ring of bright blue dots. Each petal is heavily fringed or laciniated. Grows to 2½ feet in height, with beautifully varnished foliage. Valuable for shady or half shady locations. Plant carries as many as 40 flowers on a single flower spike. The most orchid-like iris in flower, shape and color. Likes moisture. 50c each; 3 for \$1.00; 12 for \$3.00.

New Crinum "Royal White"

The largest flowered variety ever grown. Blooms 7 inches across and produced on stems 30 inches long. The pure white petals are marked with a distinct soft rose pink stripe the entire length of the petals. Very fragrant. Individual petals are over 1 inch wide. Offsets only \$2.50 each.

Zephyranthes Grandiflora

Fairy lily. A very lovely summer blooming bulb. Producing from May until October an abundance of large rose pink flowers about 3 inches in diameter on stems 12 inches long. Unexcelled for cutting. 75c per dozen.

Zephyranthes Alba

A pure white variety of the above. 75c per dozen.

"Lacinatus" (Photo Above)

New Shasta Hybrid. A very beautiful new lacinated daisy. Large 4-inch flowers that carry a large number of petals, the ends of which are finely cut. Plants are vigorous, growing to 3 feet in height and bloom over a long period. Excellent cut flower. The best of its type ever grown. Divisions from original plant 50c each; \$3.00 per 12. Not less than 12 at this rate.

SPECIAL COLLECTION

Special collection of above varieties one each except the new "Supreme," \$1.75 prepaid. Value purchased separately, \$2.25. Five varieties included in collection.

The new Shasta Daisy Hybrids 'Lacinatus,' I secured from you are fine. They are creating quite a sensation at the Inn here. Frank J. McCoy, Santa Maria Inn, Mgr., San'ta Maria, Calif.

"Gigantea"

(Field Photo Above)

The largest flowered Shasta daisy I have ever grown. Blooms well over 6 inches in diameter produced over the entire season. Semi-double in form. Possesses great substance and the most outstanding keeper of all, when cut, keeping almost two weeks. Stems strong and erect. *Wonderful new variety.* 50c each; \$3.00 per dozen.

"Sun-Ray" Shasta

Flowers 5 inches in diameter. Larger than Lacinatus and of similar form except the bottom row of petals its flat. A very beautiful new form of Shasta hybrid. 50c each; \$3.00 per doz. One of my personal favorites.

Hannah Bynon

The tallest of all the new Shasta daisies; almost 5 feet in height. May be cut over a long season. Blooms exceedingly large and of an unusual form. 50c each; \$3.00 per dozen.

(The above picture is a reproduction from a painting)

A New Introduction Scarlet Wisteria Tree

One of the most beautiful of all small deciduous trees from South Africa. Rarely exceeding six feet in height and in bloom practically all summer, the long weeping branches with fern-like foliage, are literally covered with drooping clusters of brilliant tango-red, pea-shaped blossoms. The clusters are similar to wisteria in shape, and average five inches in length. Very showy when in bloom. Perfectly hardy in any climate. An introduction that is both rare and beautiful. Small trees, \$1.50 each. Larger trees 3 to 4 feet high \$2.00 each. Larger specimens well branched \$3.00 each. All trees will bloom the first year. Prepaid. Flowers shaped like locust blooms. Plant in full sun and do not cultivate in summer.

Two pictures of single Giant Zinnia Blossoms showing Hybrid types in our strain. See Page 15 for complete description.

SEEDLESS MUSCATS

Announcing New Grape Varieties

After many years of hybridization and selection, requiring the testing of thousands of hybrids my efforts to develop a seedless grape possessing the flavor of the muscat have been successful. (All stock reserved for propagation). Announcement of introduction will be made as soon as sufficient stock is available for large distribution.

No. 28

Medium large berries—firm-flesh-ripening 10 days earlier than Thompson's seedless. Rich muscat flavor. Bunches well set; wide shoulders; good shipper. Absolutely seedless. Clear yellow berries.

No. 23

Strong distinct muscat flavor with firm flesh. Seedless medium sized bunches. Bears 2 distinct crops. Very early, 10 days earlier than Thompson's seedless.

No. 210

Berries very large. Long loose bunches. Flesh firm. 1 or 2 seeds per berry. Bunches very long. Mid-season bearer. Very firm flesh. Yellowish when ripe. Very beautiful bunches.

Photo showing various Henderson's Hybrid Shasta Daisies. See page 13 for further information.

All prices in this catalogue include free delivery to any part of the United States (except where noted)

SEEDS

"Orange Flare" Cosmos

Splendid new annual. Blooms in 90 days from seed. Flowers 2½ inches in diameter, and of a bright orange shade. 15c pkt. Three for 35c.

New Calendula "Chrysantha"

Flowers are pure buttercup yellow, and extra large. Very long stems. Chrysanthemum flowered. Our strain has been carefully reselected for color, size and general vigor. 25c per pkt.

Calendula "Supreme"

The largest and most perfect of all true orange varieties. Long stemmed and an excellent keeper. 25c pkt.

Perennial Pea

Burbank strain. This variety is not surpassed in abundance, size floweres, length of stem, or variety of colors. 25c pkt.

New Yellow Hibiscus

Annual. Produces very large canary yellow flowers with maroon centers. Blooms five to six inches across. Very beautiful and has long blooming season. 25c per pkt.

Mexican Tulip Poppy

Perennial. Blooms from May until frost. Canary yellow tulip-shaped flowers with fluted edges. Flowers keep a week even when cut in mid-summer. Height thirty inches. 25c per pkt.

California Poppy "Scarlet Beauty"

Very effective for border and mass effect. Blooms most of the summer. A bed of these is more effective and lasting than a bed of tulips. 25c per pkt.

New California Poppy "Ramona"

Glittering coppery gold with pink and orange shading. Frilled petals giving a semi-double appearance. Perennial when watered throughout summer. 50c per pkt.

New Hollyhock

(W. H. Henderson's Double Apricot Shades) —Large flowers up to 6 inches in diameter exquisitely blended shades of apricot orange on graceful stems 4-6 ft. long. Edges of petals lacinated and ruffled making a marvelous transformation of this popular flower. Seed 25c pkt. One year roots, \$1.50 per doz.; 25c each.

Shirley Poppy

"W. H. Henderson's Art Shades." Easily grown annuals embracing many orange, salmon and light and dark pink shades. Flowers are semi-double, and contain beautiful new color combinations. Pkt. 25c.

W. H. Henderson's New Gypsy Zinnia

A most unusual new and distinct type of Baby Zinnia. Flowers are double and semi-double about 1 inch in diameter. Colors included are mahogany red, ruby red, copper and crimson zoned and tipped yellow and white. Admirable for bedding purposes as plants possess an entirely different range of colors and are not comparable to any other class. 50c per packet.

Baby Zinnias

Plants low and compact rarely exceeding 2 ft. in height. Excellent for bedding purposes. Flowers are small and produced in great profusion on long stems well above foliage. Make gorgeous display in the garden. More delicate and graceful for small bouquets than other zinnias. Mixed colors only 25c pkt.

Mexican Sunflower

A rare annual from Mexico. Many stout stems grow from the base with large leaves. The flowers are large and remind one of an immense single dazzling scarlet zinnia. Blooms for a long period and is especially desirable for planting tall shrubs or in the background of wide borders. 25 cents per packet.

W. H. HENDERSON'S GIANT ZINNIAS

(Illustrated Above)

Wonderful rich color combinations never before seen in this type of zinnias. Enormous full double flowers rivaling dahlias. This strain is unique in that no two individuals are alike in color or type. Many new types are semi-cactus, crested and the new chrysanthemum flowered type. Colors including old gold, salmon, golden yellow, orange, scarlet, dark velvet, crimson, lavender, light and deep pink, with flame centers. They represent the very highest development stage of the modern zinnias. Seed offered only in mixed colors (above 150 seeds in pkt.) 50c pkt.; \$1.25 for 3 pkts. No half-packets offered.

The Zinnias described above are the result of twelve years of constant selection and crossing. Anyone who has ever seen these in bloom needs no introduction as to their superior colors and size.

Convolvulus Minor

A beautiful dwarf bush type of morning glory seldom exceeding 15 inches in height. Flowers of deep gentian blue with contrasting white center. 25c packet.

New Hollyhock—Orange Prince

Very pleasing. Flowers are large and durable. Color deep orange. Strong plants 25c each.

New Hollyhock—Golden Giant

Very large durable flowers of pure yellow. Tall and vigorous. Very striking. 25c each. Seeds 25c packet.

Burbank's Crimson Morning Glory

Beautiful large blossoms of bright crimson. Very prolific bloomer. 25c packet.

Darwin Poppy

A tall growing annual producing large purple blossoms resembling huge purplet Tulips. 15c packet.

Marigold "Dixie Sunshine"

A late blooming tall growing annual. Flowers 2 inches in diameter. Very durable. Resembling a formal mum. Color pure gold yellow. 15c pkt.

Linum Grand Rubrum—Scarlet Flax

A fine annual for masses of scarlet. Should be sown in fall for best results. 15c packet.

Scabiosa Fisherii

Splendid new species from Manchuria. Large deep purplish blue flowers. Much richer color than any other perennial type. Grows to 3½ feet. Admirable for cutting purposes. 25c pkt.

Viscaria—Blue Pearl

A wonderful annual for masses of pure lavender blue in spring. Grows to 12 inches high. Very effective. Do not transplant. Sow in fall or winter for spring bloom. 25c packet.

Dwarf Phlox

Annual of easiest culture. Do not transplant. Height 24 inches. Beautiful variety of colors. Very effective in masses. 25c packet.

Burbank's Amaranthus "Molten Fire"

An easily grown annual growing to height of 4 feet. Foliage striking deep maroon developing centers of vivid fire red. Sow after danger of frost. 25c packet.

Scabiosa "Blue Cockade"

Splendid new biennial from England. Very large flowers of an exquisite shade of azure blue. Blooms entire summer. Long stems. Excellent keepers. Seeds, 25c pkt.

W. H. Henderson's New Dwarf Bedding Zinnias

(Photo Above)

After several years of selecting, I am able to offer this superb new strain of zinnias. They grow about 15 inches high and produce quantities of flowers. These flowers are unexcelled for bedding purposes. They are semi-quilled, curled and twisted forming a unique and informal flower. Color is a deep salmon-rose and copper with centers of a deeper hue. 50c per packet.

New Variegated Iris (German)

A beautiful plant with foliage striped cream and white over a rich green base. Gives same effect as New Zealand Flax but is more dwarf in habit. It bears soft blue flowers of medium size on 30-inch stems. \$1.00 each.

All prices in this catalogue include free delivery to any part of the United States (except where noted)

Malus Eleyii

(Photo above)

A new and startling hybrid. Branchy and fast growing trees. Foliage in early spring a brilliant red that gradually turns to bronze. Reddest of all crabapples. Single dark red blooms; very prolific and produces masses of bright red fruits about the size of large cherries. Very novel and highly ornamental. Large specimen trees, \$2.50 each. 36-inch trees for \$1.50 each.

NOTE—The beauty and colorfulness of this tree over a long season cannot be overestimated. It produces masses of dark velvety red flowers followed by darkest red foliage that it retains until quite late in the season. It is covered for months of the fall by scarlet apples in clusters reminding one of bunches of ripe cherries.

TREES

Burbank's Prunus "Thundercloud"

Leaves are dark maroon in color, measure 6 inches long, and are held throughout the entire season. In color it is not equalled by any other tree. Bright autumn coloring from March until November. Grows about same size as an average plum tree. Very striking. 36-inch trees, \$1.00 each. Prepaid.

Yellow Wisteria Tree

A tree for partial shade. Flowers bright yellow and hang in long pendulous clusters resembling wisteria. Very beautiful and rare. 36-inch trees, \$1.00 each.

Red Bud (Japanese)

Handsome small tree or shrub from Japan. Grown for its showy-reddish pink blossoms produced in earlier spring before the leaves appear. Very striking plant growing with little care after established. Young trees, 75c each. Flowers much larger and more showy than our native species.

Pink Flowering Acacia

One of the most graceful of deciduous trees. Hardy as far north as Wash., D. C. The long finely cut fern-like leaves are often 2-feet in length. Blooms most of the summer. Flowers lavender pink and form in large terminal heads. Trees grow 30 feet. Vigorous young trees, 75c each.

Malus Ming Shing (Star of Heaven)

Weeping red flowering crabapple. Small tree or shrub. Color of flowers is velvet red creating a scarlet sheen when sun shines on the tree. Very Oriental in its splendor. Trees 4-5 feet in height. \$2.00. Rare.

Henderson's

Hybrid-California Evergreen Lilac

Hybrid form. A beautiful tree or large shrub that is covered throughout early spring with enormous clusters of sky-blue flowers. Clusters at times measure 14 inches in diameter, and 18 inches long. Well established in gallon cans, \$1.00 each. Very rapid grower. Not prepaid.

Edwardsia Secundiflora

Small tree (50 feet). Covered with violet blue, pea shaped blossoms in the spring. Striking foliage. Evergreen. Flowers very fragrant, followed by bright scarlet seeds in the fall. \$1.00. Not prepaid.

Henderson's

New Crepe Myrtle "True Red"

After testing many hundred of hybrids over a period of many years, I offer the finest I have found. Produces clusters measuring 9 inches broad by 10 inches long of a rich rose red. A very spectacular small flowering tree. \$1.00 each.

Bauhinia Purpurea

"Orchid Tree." Small evergreen tree producing in greatest profusion flowers from 3 to 5 inches across. Colors vary from light to rich purple shaded with many tones. Should be planted in a southern exposure for best results. Strong young plants. Prepaid. 75c each.

New Japanese Red Bud

A most unusual red bud. Produces in early spring, branches laden with very vivid red blossoms. Enormous clusters giving the effect of great plumes. Selected roots from the original tree. \$2.50 each.

Prunus Bliriana

Best of all flowering plums. Deep rose pink flowers; semi-double. Blooms over long season. Showy foliage of dark green tinged with bronze 3 to 5 feet in height. 75c each. Prepaid.

"California Nutmeg"

A handsome evergreen tree. Pyramidal in form. Attain height of 70 feet. Foliage yew-like. Rare in cultivation. \$1.00 each. Not prepaid.

Cornus Florida Rubra

(Flowering Dogwood.) Unusually beautiful, 4-inch deep pink flowering Dogwood. Flowering in early spring and presenting a gorgeous display of color. Prefers partial shade, preferably in afternoon. Needs plenty of water and no cultivation. Soils free from alkali and containing leaf mold recommended. Grafted plants 18 to 24 inches, at \$1.75; 3 to 4 feet, at \$3.50 each.

Cornus Florida—a pure white form of the above, 18 to 24 inches, at 75c each.

Liquidamber

(Deciduous) Tree, growing to 60 feet. Symmetrical habit with maple-like lustrous leaves assuming a deep crimson color in autumn. Free from insects and diseases. 4-5 feet. \$1.50 each. Smaller size \$1.00. Prepaid.

Euonymous Europeus

(Flame Tree) small 15 feet in height. This tree colors so vividly in the fall and winter that leaves resemble poinsettia petals. In addition, it bears such an abundant crop of crimson rose pods as to almost cover the tree. Later these pods burst, showing orange colored seeds. Very hardy (resistant to drought) and one of the most spectacular of all trees. \$1.50 prepaid.

Tamarix

Summer blooming type. Feathery foliage. Blooms throughout the entire summer producing quantities of lilac-pink flowers resembling Lily of the Valley. Very rapidly growing tree and succeeding well with little or no care. \$1.00.

Silver Maple

Large tree of very rapid growth. Foliage bright green and silvery on under side. More rapid grower than the sycamore. Excellent shade tree for interior valleys. Large trees, 8-10 feet high, \$1.25 each; 4-6 feet, 75c each.

"Arbutus Menziesii"

(Madrone) A very handsome evergreen tree. Flowers white in clusters 5-6 inches long. Fruit bright orange red and very showy. \$1.00 each. Not prepaid.

Crataegus Coccinoides

(Scarlet Hawthorn)

Shrub 5 to 8 feet high. Flowers 1 inch in diameter in clusters followed by red berries in the fall. A beautiful shrub. 50c each.

New Spiral Willow

(See Photo Above)

An unusual new sport of the weeping willow. It possesses same graceful habit. Each leaf is curled or rolled in a fantastic fashion resembling in form a Ramshorn. Wonderful to plant near a pool for a specimen tree. \$1.00 each.

Robinia Decaisiana

Showy flowering locust. Producing very long clusters about 15-18 inches in length. Beautiful rose-pink. Splendid shade tree growing very rapidly to a height of 40 feet. Grafted specimens, \$1.50 and \$2.00 each. These are among the most beautiful of spring flowering trees. Drought resistant.

Koelruteria Bipinnata

"Golden Rain" tree grows to 30 feet in height. Producing in early summer enormous panicles of golden yellow flowers followed in fall by large pods of copper red. Produces an extremely beautiful fall show of color. \$1.50 each. 30 to 36 inches. Plant in sun; perfectly hardy.

Laburnum Vossi

"Golden Chain" tree. 30 feet. Spring blooming tree with long wisteria-like clusters (to 20 inches) of golden yellow flowers. A magnificent flowering tree. \$2.50 each. 8 to 10 feet, not prepaid. Plant in sun; very hardy.

Hydrangea Quercifolia

(Oak Leaved Hydrangea.) Shrub to 6 feet high. Produces in spring enormous panicles 6 inches wide. 10 to 12 inches long of cream-yellow flowers. Foliage large and attractive, turns yellow and scarlet in the fall. Will stand full sun. One of the finest of all flowering shrubs. 24 to 30 inches. \$1.25 each. Very hardy.

Davidia Involucrata

(The Dove Tree)

(China) (Illustrated on Front Cover)

One of the world's most beautiful flowering trees. A very rare, handsome tree with large, attractive bright green foliage of pyramidal habit. An object of striking beauty when studded with the very large creamy white flowers. Floral petals seven to eight inches long and four to five inches broad. The flowers are pendulous on fairly long stalks and when stirred by the slightest breeze they resemble huge butterflies or small doves hovering among the trees. The most interesting and most beautiful of all trees. Perfectly hardy where temperature does not fall below zero. Requires good drainage. No cultivation. Price upon application.

All prices in this catalogue include free delivery to any part of the United States (except where noted)

Watsonias

(See Above Photo)

(Bugle Lilies)

A South African bulbous plant similar to a gladiolus in foliage and bloom. Flowers produced in great abundance; as many as 50 have been counted on a single spike. Does not have to be replanted each year as do gladiolus. They increase in size and beauty each year. Valuable for planting in front of shrubbery to add color to the landscape. Orders for watsonias can only be filled in August while plants are dormant. Especially valuable as cut flowers as they bloom early in April. I offer 4 varieties: Rose-pink shader with salmon, light rose-pink, purse white. These are \$1.50 per dozen. (All large flowering varieties). "Lavender Queen" New largest flowered variety in my collection; beautiful sparkling rose-lavender. 50c each.

Linum Flavum

A very hardy perennial producing quantities of golden yellow flowers in terminal clusters over the entire summer. 18 inches in height and evergreen. Very showy and desirable because of its long life. 50c each; \$3.00 per 12.

Iris Stylosa

Plants are low growing; foliage long grass-like leaves. Winter bloomer. Sometimes known as Xmas Iris. Flowers deep lavender blue with orange tongue. Very fragrant. Starts blooming in September on Pacific Coast. Plant early in spring. Beardless. 25c each; 60c for 3; \$2.25 for 12.

IRIS SPECIES

Louisiana Violipurpurea (Small)

Deep claret purple with Gold center. Hardy in the north. 3½ feet. Plant July-October. \$1.00 each.

Louisiana Vinicolor (Small)

Deep claret purple with gold center. Hardy. 3½ feet. \$2.50 each.

Louisiana Gigantea Coerulea (Small)

Bright violet blue. Flowers marked with yellow center. 4 feet. Hardy. \$1.50 each.

Louisiana Fulva

Terra cotta or brick red. 36 inches in height. \$1.00 each.

The above species are among the most beautifully colored iris ever seen. They are not excelled by any other type of iris.

NEW CORAL SHRUB

(Illustrated in Color Above)

Handsome shrub blooming throughout the summer months. Creates a sensation when in bloom. Flowers are borne in huge panicles ranging from 2-2½ feet long and about 8 inches across. Color is scarlet enhanced by a center zone of jet black. Grows to height of about 6 feet. Very graceful. One of the most beautiful and spectacular of all shrubs. Withstands temperatures as low as 10 degrees above zero. Strong roots for \$1.00; larger roots \$1.50 and \$2.00 each. An excellent plant for a tub in the eastern states.

Calistemon Speciosus

Most highly colored of all bottle brushes. Spikes 6 inches long. Color bright red in contrast to gold anthers. \$1.00 each. Not prepaid.

Aucuba Laurifolius

Beautiful new selected variety. A perfect shrub for shady location. Height 4 feet. Deep lustrous green foliage with leaves about 8 inches long. Produces in winter large clusters of bright red berries. Individual berries ½ to ¾ inch long. Gal. cans, \$1.00 each. Not prepaid.

Carpenteria California

A very attractive native evergreen shrub. 6 feet high. Flowers pure white about 2½ inches across with yellow anthers produced in large terminal clusters. Orange-blossom fragrance. One of California's most beautiful shrubs. 50c each.

Dianthus Gigantea

Evergreen shrub (5 feet) producing over many months, lilac pink flowers of true Dianthus form. A very rare species and highly recommended. Excellent for cutting. 50c each.

California Sycamore

A very large tree that should be more widely used. More resistant to insects and more beautiful foliage than its European cousin. 36 inch trees 50c each.

Dianthus Splendens

An attractive scarlet variety with white centers and edges of petals bordered with white. Large flowers about 1½ to 2 inches in diameter. Grows to 15 inches high. In bloom all summer. Large plants in quart cans at 15c each; \$1.50 per doz.

Clematis Recta Grand Fl. Pleno

A very attractive new herbaceous perennial growing to 3 feet high. Produces masses of double pure white flowers throughout the summer months. Very fragrant. Planted in full sun in perennial border it is most effective. \$1.00 each.

Rosa Xanthina

A semi-double bright yellow flowered shrub rose. Height to 6 feet. Very handsome and very worthy of trial by gardeners who desire masses of color. \$1.00 each. Strong plants.

All prices in this catalogue include free delivery to any part of the United States (except where noted)

New Pink Abelia Schumanni

Unusually beautiful new shrub. Flowers produced in great numbers throughout summer. Arching branches. Color a showy lavender pink, and much larger than common *Grandiflora*. 75c.

Clerodendron Fragrans

(Glory Bower.) Shrub 5 feet high, producing over the entire summer, double flowers in dense clusters 3 inches wide. Fragrance unsurpassed, spicy. Can be used admirably in corsages. \$1.00 each.

Leptospermum Rubra

A very unusual new shrub. Maximum height 5 feet. Completely covered in spring with 1/2-inch blossoms of a rich ruby red color. An unusually attractive evergreen. Branches arching and graceful. 15 to 18 inch est. in gal. cans, \$100, not prepaid; smaller, prepaid, 50c.

Ceratostigma

Dwarf shrub (30 inch height) completely covered during the summer with vivid rich blue flowers. One of the most beautiful flowering shrubs known. Plant in part shade or full sun. 25c each. Prepaid.

Ilex Aquifolium Van Tol

A self fertile grafted variety of English Holly. Berries set at once upon planting. Distinguished by its very dark green leaves and huge lustrous berries borne in large clusters. 15 inches in height. Established in gal. cans. \$1.25 each. Not prepaid.

Viburnum Odoratissimum

An attractive evergreen shrub for all or part shade. Enormous laurel-like foliage of a shiny green. White flowers in 4-inch panicles followed by red fruit during fall and winter. Height 6 feet. Two sizes. 50c prepaid. \$1.00 gal. can, not prepaid.

Viburnum Carlesii

A beautiful deciduous spring flowering shrub. Very fragrant. Pink and white flower clusters 2 to 3 inches in diameter. April bloomer. Large, heart shaped leaves beautifully colored scarlet during winter. 4 feet in height. 15 to 18-inch size, \$1.00 prepaid.

New Giant Single Pink Althea

Excellent new variety with flowers fully 5 inches in diameter. Beautiful rose colored blooms. Prolific bloomer; produced from June until October. \$1.00 each.

Azalea Altaclarensis

Beautiful selected form. Flowers golden yellow with orange centers. Clusters are large reminding one of a yellow rhododendron. Fragrant. Easily grown in part shade. Foliage is yellow and scarlet in winter. Augments beauty of any garden. 18 to 24 inches, \$2.25; 12 inches, \$1.50. Not prepaid.

Azalea Mollis

Orange, apricot and yellow flowers borne in great profusion. Very fragrant. Medium size shrubs preferring partial shade. 50c each. Prepaid.

Azalea Schlippenbachii-Royal Azalea

Beautiful rose pink flowers, 3 inches in diameter. Largest flower of this species. Plant in partial shade. (6 to 10 inches branched). 50c prepaid.

Azalea Calendulacea

The flame azalea of the south. Perfectly hardy and easily grown. Plant in part shade in moist soil. The most beautiful of all American azaleas. Color orange salmon. Height 15-24 inches. 75c prepaid.

RARE ORIENTAL SPRING BLOOMING MAGNOLIAS

(See Photo Above)

Among the most beautiful flowering trees in the world. These deciduous magnolias bloom in the spring before the foliage appears. Most of them are perfectly hardy throughout the United States.

Magnolia Stellata

(Star Magnolia). Small, spreading tree that blooms very early. Very fragrant pinkish white flowers that are 3 inches in diameter. These flower masses are most beautiful on this very rare Chinese magnolia. 15 to 18 inches. \$1.00 prepaid.

Magnolia Stellata Rosea

A very rare form of the above. Flowers shaded rose. 24 to 30 inches, at \$3.00 each.

Magnolia Soulangeana Alexandrina

Small tree with large 8 inch blooms of deepest rose. \$1.00 each, prepaid.

Magnolia Glauca—Sweet Bay

A small deciduous tree. Flowers 3 inches in diameter appearing with the leaves. Very fragrant. 3-foot tree, \$1.25 each.

Viburnum Rhytidophyllum

Evergreen shrub grows to height of 7 feet. Leaves very large. Flowers white in clusters to 8 inches in diameter followed by red fruit. A very attractive hardy shrub. 50c each.

Cistus Purpureus

An excellent summer flowering evergreen shrub producing over several months mallow-pink ruffled flowers with centers of dark red. Prefers a semi-dry location with good drainage. 75c each.

Cytissus Newreyensis

A selected form of the Paradise Broom. Enormous flowers 1 inch in diameter in red and yellow. Evergreen shrub to 5 feet. 75c each.

Chinese Dwarf Lemon

A unique variety not exceeding 7 feet. Produces enormous quantities of fine well-flavored fruit. Excellent where space is at a premium. 50c each.

Eucalyptus Sider. Rosea

A very beautiful deep pink flowering variety growing to height of 30 feet. Recommended for valley conditions because of ability to withstand temperatures as low as 15 degrees Fahrenheit without damage. 50c each in gallon cans. Not prepaid. Flowers produced in large clusters.

Magnolia Lennei

Large flower, attaining diameter of 8 inches. Petals broad and rounded. Color outside deep crimson and inside nearly white. Unusually fragrant. Blooms ten days later than *Soulangeana*. Leaves 12 inches long and 8 inches wide. Plant in full sun or partial shade. 12 inches to 15 inches in height. \$2.00 each prepaid.

Magnolia Soulangeana Nigra

Pyramidal and very attractive tree (medium size). Very fragrant. Seven-inch flowers of dark purple that bloom recurrently from March to the end of the summer. \$1.00 each, prepaid.

Magnolia Rustica Rubra

New introduction to America. Extra large cup shaped flowers of dark reddish purple. Small tree. \$2.00 each. Prepaid.

Magnolia Liliflora

Lily Magnolia. Flowers, 4 to 5 inches long—purple outside and lavender within. Blooms remain cupped similar to a tulip in form. 24-30 inch, at \$1.00. Very hardy.

Magnolia Grandiflora

A selected form of the southern evergreen magnolia flowering while quite young. A splendid evergreen tree. 10 to 12-inch trees 50c each.

Banana Shrub—Magnolia Fuscata

Small deciduous shrub. Small yellow flowers of true magnolia form possessing rich banana-like fragrance. 12 to 15 inches. \$1.00 each.

Ceanothus Jepsoni

One of the most beautiful of all dwarf evergreen flowering shrubs. Produces in spring very rich deep purple flowers in masses. Foliage unusually attractive bright deep green. Form similar to that of holly. Plant in full sun in semi-dry location. Must have good drainage. \$1.00 each.

Daphne Cneorum

Dwarf species for rock gardens. Needs afternoon shade and no cultivation. Attractive pink flowers in clusters in early spring. Very fragrant. Strong plants. 50c each.

Casuarina Stricta

A very rapid growing evergreen used largely as windbreaks or for quickly screening unsightly buildings or backgrounds. 25c and 50c each. Latter size not prepaid.

Fagus Americana—American Beech

Beautiful deciduous tree. 24 to 30 inches. 50c each.

All prices in this catalogue include free delivery to any part of the United States (except where noted)

Malus Arnoldiana

(Photo Above)

Flowering Crabapple. Shrub about 5 ft. in height. Long weeping branches resembling a Spirea Van Houttii. Flowers in masses. Buds are bright rose red opening to a light pink shade. The effect of two colors on the bush is very beautiful. This is one of the rarest of all flowering crabapples and is highly recommended. Specimens 4-5 ft. in height. \$2.50 each. Blooms first year. Prepaid. Smaller size for \$1.50 each.

Azalea Calendulacea

The flame azalea of the south. Perfectly hardy and easily grown. Plant in part shade in most soils. The most beautiful of all American azales. Color orange salmon. Height 15-24 inches. 75c prepaid.

Calistemon Specosus

Most highly colored of all bottle brushes. Spikes 6 inches long. Color bright red in contrast to gold anthers. \$1.00 each. Not prepaid.

Aucuba Laurifolius

Beautiful new selected variety. A perfect shrub for shady locations. Height 4 feet. Deep lustrous green foliage with leaves about 8 inches long. Produces in winter large clusters of bright red berries. Individual berries 1/2 to 3/4 inch long. Gal. cans \$1.00 each. Not prepaid. growth.

New Cotoneaster Apiculata

(Cranberry Cotoneaster). Semi-prostrate growth. Berries extremely large (1/2 inch long and 1/2 inch wide, in great profusion) and brilliant red in color. Perfectly hardy in the east. The most striking of all dwarf berried shrubs. 3 feet in height. 75c each.

Cotoneaster Divaricata

Deciduous shrub with pink flowers, followed in fall and winter by bright red fruits 1/3 inch long. Very handsome shrub producing quantities of red berries for winter display. \$1.00 prepaid.

Giant Fragrant Lilac

Flowers produced in masses on terminal racemes. Latter sometimes over 30 inches long. Single lavender flowers. Very fragrant, and never fails to bloom each year. By far the finest of all lilac types for California conditions. Clusters of flowers about 4 inches in diameter at base tapering to a point at tips. Height 8 feet. Medium 75c; large \$1.00 each.

Osmanthus Aquifolium

Large evergreen shrub with holly-like foliage. Produces very fragrant white flowers in early spring. A highly decorative shrub. 75c each. Not prepaid.

Cotoneaster Cooledgei

Height 2 1/2 feet. A sport of Pannosa with same foliage color. Leaves are smaller. Covered with scarlet berries and gives the appearance of a dwarf Pannosa. A new shrub highly recommended. 75c each. Not prepaid.

Rose Locust (Robinia Hispida)

(Photo Above)

Small tree growing to 15 ft. Produces a perfect mass of orchid pink clusters about 5 inches in length in early spring. These resemble Wisteria clusters. It flowers continually till July. Very striking and quite rare. Grafted trees for \$2.00. Prepaid.

New Pyracantha Formosiana Splendens

A new form that is rapidly gaining popularity. The most showy of all Pyracanthas. Enormous clusters of bright holly-red berries. Height 6 feet. Very select new variety. 75c each. Not prepaid.

California Holly

Too well-known to need description. One of the most beautiful of our large native shrubs or small trees. Height 4 to 5 feet. 75c each. Not prepaid.

Ceanothus Cyaneus

Deepest blue evergreen lilac. Blooms throughout summer months. Very showy. Thrives well in hot dry location. One of our most beautiful flowering native shrubs. 75c each (gal. cans). Not prepaid.

Stranvaesia Davidiana

Large evergreen shrub from West China. Has lustrous foliage with small white flowers in large clusters (3 to 4 inches in diameter), followed by scarlet berries in large heads. Has scarlet foliage in fall and winter. Very showy. Thrives in full sun. 75c. Not prepaid.

Photinia Serrulata Noya

A sturdy evergreen shrub. Foliage changes during the year from pale green to red and bronze. Height 6 feet. 1-gal. cans. 75c each. Not prepaid.

Japanese Flowering Quince

New colors in this old favorite. Unsurpassed for early bloom and long display of color.
Scarlet 2 to 3 feet..... \$1.00
Marmorata pink and white, 2 to 3 feet.... 1.00
Pure white, 2 to 3 feet..... 1.00
Coral salmon (new variety) 2 to 3 feet.... 1.00

Japanese Evergreen Pear

A large evergreen shrub of rapid growth (6 feet). Foliage turns bright red to yellow and green in the fall. New growth in spring very vivid shining green. Beautiful in all seasons. \$1.50 each.

Cotoneaster Bullata

Evergreen shrub to six feet high. A very beautiful new cotoneaster bearing very large clusters of red berries. Foliage unusually beautiful. Highly recommended. 50c each; hardy.

Rosa Hugonis

(See Photo Above)

Golden shrub rose of China. The long graceful branches with fern-like leaves are covered in early spring with wreaths of fragrant yellow flowers. Plant as a shrub for color effect. Grows 4-5 feet high. Strong plants, \$1.00 each. Medium sized plants 75c.

Rosa Bicolor

A shrub growing 4-5 feet high. Blooms from early spring to summer. Flowers are single 2 1/2-3 inches across and are the richest coppery scarlet I have ever seen in any flower. A cluster of golden stamens enhances the beauty. Reverse of petals are gold. Strong plants \$1.00 each.

New Dwarf Red Lantana

Bright red in color. A selected form. The brightest red of them all. Young plants from pots for spring delivery only. 25c each; \$2.50 per 12. Does not exceed 28 inches in height.

Dwarf Pomegranate

Beautiful border plant in bloom all summer. Flowers followed by red fruits 1 1/2 inches in diameter. Fine for planting in front of other shrubs in groups of 3 to give color. The plants do not exceed 15 inches in height. Plant 14 inches apart for hedge use. Blooming size plants 25c each.

Red Barberry

Foliage rich bronzy red similar to the red-leaved Japanese Maple. Foliage becomes more brilliant and gorgeous throughout summer. Covered in winter with brilliant scarlet berries that remain throughout the winter. Vigorous two year plants. 75c each. Prepaid. Grows 2 1/2 to 3 feet high. Extra select size for \$1.00 each.

Cotoneaster Parneyi

A beautiful new evergreen producing very large clusters of a brilliant red, comparable to a California Holly in brightness. Individual clusters 3 inches or more in diameter. Color very apparent from November till April. Foliage dark olive green. Grows 6 feet high with graceful branches that weep with the weight of the fruit. The most attractive of all the Cotoneasters. Imported from the Royal Botanical Gardens of Scotland. Well established in gallon cans. 75c each. Not prepaid; medium sized plants, 50c each in gallon cans.

All prices in this catalogue include free delivery to any part of the United States (except where noted)

Henderson's White Dahlia

Flowers eight to ten inches in diameter. See page 5.

HENDERSON'S EXPERIMENTAL GARDENS

Owned and operated by Wm. H. Henderson, former assistant to Luther Burbank, 1921-1926. Originator and grower of Rare and Exotic Plants

ROUTE 5, BOX 22, FRESNO, CALIFORNIA
